The diagram illustrates a multi-layer PCB layout with a central yellow rectangular feature. The layout is defined by several dimensions:

- A**: The width of the central yellow feature.
- B**: The width of the green area on the right side of the central feature.
- C**: The thickness of the top green layer.
- D**: The thickness of the bottom green layer.
- E**: The thickness of the yellow core material.
- C2**: The total thickness of the PCB, including the top and bottom green layers and the yellow core.
- B2**: The width of the green area on the left side of the central feature.
- D2**: The width of the green area on the right side of the central feature, adjacent to the bottom layer.
